SUBJECT.

Inam revival of 10 Pagodas a month to the Sri Akshobhya Theertha Swami matt at Kudli.

From

The Deputy Commissioner, Shimoga District.

No. 713/46 Dated 23rd January 1906.

Sri Raghunatha Theertha Swamigalu of the Sri Akshobhya Theertha Swami matt petitioned this Office through his Agent representing that under the authority of the Sanads granted by Dewan Purnaiyya and His Highness the late Maharaja Sri Krishnaraja Wodiyar Bahadur III, the matt was in the enjoyment of 10 Pagodas per month for feeding, &c, that the payment had, ~~was~~ for some unknown reason ~~had~~ ceased and that as the matt was in straitened circumstances, the Govt.

may be pleased to restore the grant.

The Dy Commr. Durham the Petr. was referred reports on the same and forwards the original Sanads produced by the Matt. — Hi no 713/46 dy 23.1.06 Papers under disposal

The prayer of the Petr. is two fold viz (1) that the monthly allowance of 10 Pagodas which has been discontinued, may be restored and (2) that the stoppage of feeding in the Chattram (Homali) for 4 days during Madhwanavami may also be restored.

With reference to the 2nd prayer, the Dy Commr. states that it does not concern the Matt. He however reports at length on the 1st prayer, viz the restoration of the grant of 10 Pagodas.

In the Nirup issued by Dewan Purnaiya to the Amildar of Shimoga it is directed that an monthly grant of 10 Pagodas should be paid to the Matt. In this Nirup there are three lines in the autograph of Dewan Purnaiya as follows:— "[illegible]" (signed) Slip A

On the 6th July 1814, a Sanad* was issued by H.H. the late Maharaja Sri Krishnaraja Wodayer Bahadur III, in which it is stated that it came to the notice of H.H that the payment of 10 Pagodas a month had stopped and it is directed that the grant should be continued uninterruptedly In this Sanad also there are 4 lines in the autograph of H.H. directing the payment of the grant.

Mr Dy Comm^r states that it is not known why & how the grant stopped. The Swamis is stated to have been on tour during the Inam Settlement and that therefore the claim was not then urged. As however the grant is

authorized by Sannads and by entries in the old accounts, the Dy Comm.t recommends it for consideration.

This Matt is of some importance, being, as I am informed, one of the Matts established direct by Sri Madhvacharya. It has some lands in the Mysore State, and has its head quarters at Kudli in the Shimoga Taluk.

The cash grant of 10 pagodas per mensem regarding which sanads are now produced, was not placed before the Inam Deptt during the Inam Settlement in 1869.

Orders are solicited as to whether the Inam Deptt may be asked to investigate the case now. It will perhaps form a bad precedent, but the Dy Comr requests that "the matter may "receive consideration as the grant is "authorized by sanads, the genuineness "of which cannot be questioned, and "by entries in old accounts."

ORDER THEREON.—The Kambalu Matt at Sivaganga in the Nelamangala Taluk, is a Lingayet Matt enjoying the marginally noted land inams paying a jodi of Rs. 20-8-0 Under a sanad dated the 11th August 1818, granted by His Highness the late Maharaja Sri Krishna Raja Wodeyar Bahadur III, the Matt was originally in the enjoyment of a cash allowance of 5 Kantiroy pagodas per mensem or 60 pagodas per annum for (ಧರ್ಮದಾನೇ(ಛಂ) feeding purposes. For some reasons which it is not at present practicable definitely to ascertain, the grant was reduced first from 60 to 30 pagodas and again to 15 pagodas per annum, and latterly, it was discontinued altogether. This cash Inam was not also brought under the investigation of the Inam Department.

2. The present manager of the Matt, one Channa Basava Vader, now applies for the revival of the cash allowance of 15 pagodas per annum which was formerly enjoyed by the Matt.

3. The Deputy Commissioner reports that there is a Guru named Siddalingaswami for the Matt in question, that the feeding of travellers is continued and that the Matt expenditure exceeds on the whole the income from the Government endowments.

4. Considering that the Matt affairs are in an efficient condition and that feeding is regularly conducted, the Government of His Highness the Maharaja are pleased to sanction for the Kambalu Matt at Sivaganga, as a new grant, a cash allowance of Rs. 3-8-0 per mensem or Rs. 42 per annum with effect from the 1st December 1904, and the Superintendent of Inam Settlements is requested to register the same in the name of the Matt. The Comptroller to Government is requested to arrange for the payment of the allowance to the Matt.

Sir,

With reference to your official Memo No 1025 dated 14th November 1902 forwarding for report petition R No 3509/1229 dated 24th May 1902 from Hammantha Rao Agent Akshobhya teertha Swami Matt at Kudli, Shimoga Taluk, praying for the continuance of certain allowances due to the matt, I have the honour to state as follows:—

1 The Agent in the above petition prays that the monthly allowance of 10 pagodas discontinued may be restored.

2ndly, That the amount paid from the stoppage of Chattar

for

for 4 days for feeding during Madhvanavami is supported by Sanads which is discontinued may be restored.

2. The old grants produced by the Mutt authorities as per phrist is enclosed. It is stated that there was no proper agent in behalf of the Mutt during the Inam Settlement, that the then Swami was on Sanchara or peregrination and therefore these claims were not urged at the time of Inam settlement. The Shimoga Taluk Jama Khorath accounts of 1816-17 shew payment of 120 pagodas for the purpose. There are no proper records to shew why and how the above grants have been stopped so-far back I believe, however, that the real reason was that for-some unknown reason the allowance had been stopped a long time and the Mutt authorities [illegible]

not the Sunnads be now forthcoming, to enable them to represent their case then.

3. The grant of a part feeding allowance of the Nemmali chattram does not in any way concern the matt. The only question for consideration is about the revival of the discontinued cash allowance of 10 pagodas a month, and I beg that the matter may receive consideration, as the grant of the allowance is athorised by Sunnads, the genuineness of which cannot be questioned and by entries in old accounts.
